

Special Fee Basis for a single investment SIPP with Seven Investment Management LLP

Introduction

DP Pension Ltd has teamed up with **Seven Investment Management LLP (7IM)** to offer the Premier Trust SIPP as a low cost vehicle which can be used to access 7IM's investment services.

Clients benefit from a reduced fee basis where they invest their whole SIPP fund with 7IM. If they decide to make other investments, then our 'normal' Premier Trust fees will apply. Our standard Premier Trust Full SIPP fees are available on request and on our website.

About our Fees

This schedule sets out our fees for setting up and administering the Premier Trust SIPP. It is designed to help you understand the costs that you may incur, and to enable you to compare those costs to the costs of other pension products. You should read it in conjunction with:

- The Premier Trust Key Features
- The Premier Trust Terms & Conditions
- The Premier Trust Application Form

All of our fees are subject to VAT in addition.

There are basic fees which cover the main work involved in setting up and operating the SIPP. There are also additional fees for the items of extra work that may apply. The fees are set out below.

Other fees to consider

This fee schedule sets out the fees that DP Pensions Ltd, as administrator of the Premier Trust charge for setting up and administering the SIPP. You should understand and keep under review the total charges that will be incurred by the SIPP on a yearly basis when deciding whether The Premier Trust SIPP is the right product for you. Other fees that may apply include, but are not limited to:

- Financial Advisers advice – this could be a one off or regular payment made to your financial adviser (if you have one) for the advice and services that they provide. Payment may be made directly from the SIPP bank account or directly from the 7IM investment account or by a combination of the two.
- Annual Management Charge (AMC) – this charge is a fee for the services that the investment manager provides. An average AMC is between 0.75% and 1% per annum based on the portfolio value. There may be a tiered structure applied meaning that the percentage charge changes depending on the portfolio value. All Investment Manager fees are deducted directly from the investment account.

7IM will provide you with a separate schedule setting out the charges that they will apply. Investment companies generally review their fees once a year and should tell you in advance of a fee changing. If you are unsure of what the fees will be ask for further information from 7IM before proceeding.
